

Appendix D

SEEC Slides from Provost Hoffman's Presentation

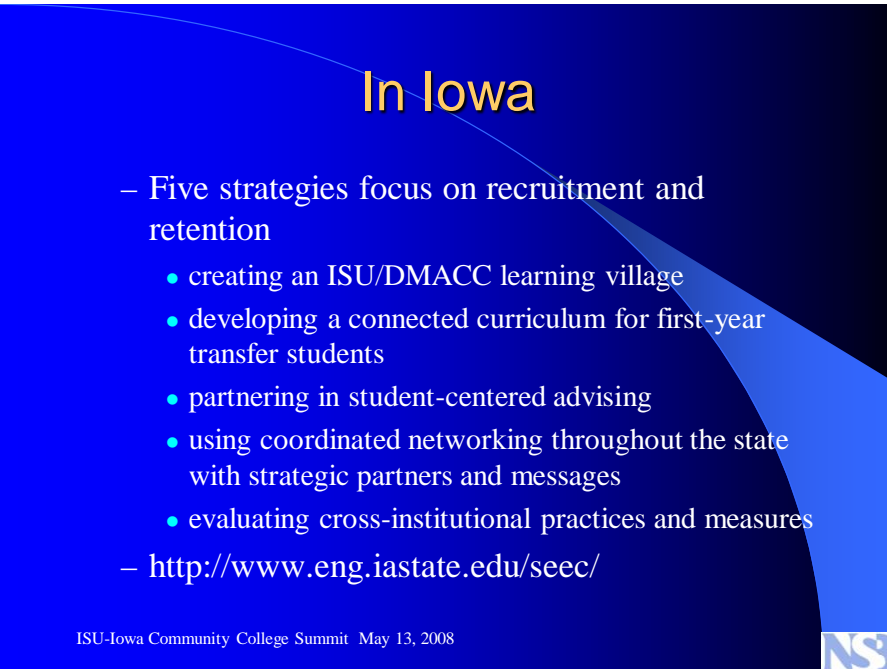

Iowa Community College Summit – May 13, 2008

In Iowa

- Example of collaborative funding initiative:
 - National Science Foundation \$2 million grant to DMACC and ISU to increase the number of students earning a bachelor's degree in engineering fields

ISU-Iowa Community College Summit May 13, 2008

In Iowa

- Five strategies focus on recruitment and retention
 - creating an ISU/DMACC learning village
 - developing a connected curriculum for first-year transfer students
 - partnering in student-centered advising
 - using coordinated networking throughout the state with strategic partners and messages
 - evaluating cross-institutional practices and measures
